OUR INSPIRATION

The Foundation was established in honour of Dr. Momodou Lamin Sedat Jobe (1944–2025), career diplomat and proud son of The Gambia. Its name reflects his deep attachment to Fuladu and the values of heritage, resilience, identity and community.

MISSION

To support community-led development that improves education, strengthens sustainable livelihoods, and preserves cultural and spiritual heritage.

VISION

Communities where education empowers, the environment sustains, and heritage inspires future generations.
